**1. GENERAL INFORMATION**

Northstar New Jersey Lottery Group, LLC (“Northstar”) acts on behalf of the New Jersey Lottery (“Lottery”) under a Lottery Growth Management Services Agreement (“Services Agreement”) awarded to Northstar by the State of New Jersey and the Lottery in June of 2013. Through this Request for Proposals #19-MIR-719 (“RFP”), Northstar is inviting providers of a variety of marketing insights/research services to submit proposals in order to be placed on a list of Qualified Marketing Insights/Research Services Vendors (“Qualified Vendors List” or “Qualified Vendors”) from which Northstar may order on an as needed basis, to support the Lottery’s sales, marketing, research, advertising and promotional programs.

An Evaluation Committee will review all interested vendor proposals in accordance with the requirements set forth in this RFP. Based on that evaluation, a Qualified Vendors List will be established. Qualified Vendors will be considered qualified for a period of two (2) years from the date the Qualified Vendors List is published on Northstar’s website. Qualification and placement on the Qualified Vendors List is NOT a guarantee of future orders or any minimum volume of orders by Northstar. Issuance of this RFP does not constitute a legal offer capable of acceptance.

The redacted version of the proposal must describe the general nature of the redacted material. Whether or not certain information, documents and materials that an interested vendor has marked as confidential is/are exempt from public disclosure will be decided by the State of New Jersey based upon an interested vendor's explanation of the specific grounds for exemption under OPRA, the applicable requirements of OPRA and New Jersey law.

## **7. PROPOSAL EVALUATION**

### **A. Evaluation Committee**

Northstar will appoint an Evaluation Committee including members of Northstar's Finance, Marketing and Advertising Departments to evaluate the interested vendors' proposals. The Evaluation Committee will evaluate each interested vendor's proposal for compliance with the requirements specified in this RFP.

### **B. Proposal Review**

The Evaluation Committee will base the evaluation of each interested vendor's proposal on the requirements specified in this RFP and the interested vendor's responses to those requirements as described in the vendor's written proposal, including the estimated pricing reflected on the Schedule 1 – Marketing Insights/Research Services Worksheet.

**C. Proposal Clarification**

During the review of each interested vendor’s proposal, the Evaluation Committee may have question(s) about an interested vendor’s proposal. The Evaluation Committee may ask for clarification by written question(s) sent by email to an interested vendor.

An interested vendor is expected to answer the Evaluation Committee’s question(s) within 24 hours unless it asks for, and the Evaluation Committee agrees to, additional time. Depending on the nature of the information, an interested vendor’s answer may, in Northstar’s discretion, be shared with other interested vendors and that information may be incorporated into a purchase order subsequently issued to a vendor listed on the Qualified Vendors List.

**8. ESTABLISHMENT AND USE OF QUALIFIED MARKETING INSIGHTS/RESEARCH SERVICES VENDORS LIST**

On or about the date specified in Section 2 of this RFP, Northstar’s Evaluation Committee will determine which interested vendor(s) meet the requirements to be placed on the Qualified Vendors List as specified in this RFP. The decisions of Northstar’s Evaluation Committee shall be final. Northstar reserves the right to reject any or all of the proposals submitted, or to withdraw this RFP at any time. Northstar also reserves the right to accept proposals from interested vendors in part only.

**A. Notice to Vendors**

Each interested vendor that Northstar’s Evaluation Committee determines meets the requirements to be placed on the Qualified Vendors List will receive (i) written notice that its name has been placed on the Qualified Vendors List; (ii) a fully executed Appendix A, Standard Subcontract Provisions, countersigned by Northstar and (iii) a fully executed Appendix B, NDA, countersigned by Northstar.

**B. Publication**

The Qualified Vendors List will be published on the Procurement page of Northstar’s website and emailed to each Qualified Vendor.

**C. Effective Period of List**

The Qualified Vendors List will remain in effect for a period of two (2) years from the date the Qualified Vendors List is published on Northstar’s website, unless Northstar or the Lottery determines in its/their sole discretion that it is in the best interests of Northstar or the Lottery to either extend or terminate the two (2) year effective period of the Qualified Vendors List.

**D. Removal from List**

A Qualified Vendor may be removed from the Qualified Vendors List by request if Northstar agrees to release the Qualified Vendor, subject to reasonable conditions. Northstar may remove a Qualified Vendor from the Qualified Vendors List if Northstar or the Lottery determines in its/their discretion that the Qualified Vendor (i) is no longer capable or available to fulfill the requirements of an order, (ii) no longer possesses the financial or technical ability or reputation required to be considered a responsible vendor qualified to provide marketing insights/ research services to the State of New Jersey, (iii) it is in the best interests of either Northstar or the Lottery to remove a vendor from the Qualified Vendors List for any reason.

**E. Ordering from Any Qualified Vendor Permitted**

Northstar, however, reserves the right in its discretion to seek competing quotes, bids, or offers from other vendors on the Qualified Vendors List.

**F. No Ordering from Unlisted Vendors; Exception**

In the event that, during the two (2) year effective period of the Qualified Vendors List, Northstar determines a need for marketing insights/research services not originally identified in the Schedule 1 to the RFP, Northstar will first seek estimated pricing from the Qualified Vendors List. However, if Northstar determines in its discretion that the estimated price, quality, quantity or time and place of delivery offered by the Qualified Vendors on the Qualified Vendors List is/are unreasonable, Northstar reserves the right to procure such service from a vendor not included on the Qualified Vendors List. In addition, Northstar reserves the right to order marketing research/insights services from a vendor not listed on the Qualified Vendors List in the event Northstar determines that no Qualified Vendors are capable or available to fulfill the specific requirements of the order.

**9. NEWS RELEASE**

A Qualified Vendor shall not issue any written or oral communication to any news media representative regarding Northstar, the Lottery, or this RFP unless such communication is expressly approved in advance by Northstar and/or the Lottery.

By issuing this RFP neither Northstar nor the Lottery guarantees that any contract will be awarded or that any orders will be issued to any Qualified Vendor listed on the Qualified Vendors List.

Neither Northstar nor the Lottery shall be liable for any costs or fees incurred by an interested vendor in responding to this RFP, or for costs or fees incurred by an interested vendor in attending meetings or preparing demonstrations, presentations or clarifications in connection with the RFP procurement process.

Interested vendors may not take advantage of any apparent error or omission in this RFP. In the event that any errors or omissions are discovered, an interested vendor shall immediately notify Northstar.
